### EIT 2.0 Payment Terms and Options

#### General

- For customers outside the US, EIT2.0 requires pre-payment prior to shipping/returning a unit
- Shipping and applicable taxes, duties and customs fees are the responsibility of the customer
- EIT 2.0 ships via UPS and Fed-Ex. Shipping via other services including a broker or DHL must be arranged by the customer.
- Arranging for payment and shipping ahead of time will save time and get your instrument returned to your facility quicker

#### Payment Options for EIT 2.0 UV Instruments and Services

##### **Credit Card**

- EIT 2.0 accepts all major credit cards through our secure website portal at no additional charge
- Do not provide your credit card information on any correspondence including mail with EIT 2.0
- Once the unit or item reaches our shipping team, EIT 2.0 will email an invoice to the email address that we have on file for the order with the amount due and Order/Invoice Number
- Payment needs to be made prior to shipment at: <https://www.eit20.com/pay-invoice/>

##### **Wire Transfer**

- If you choose to pay by wire transfer, EIT 2.0 will send a Proforma Invoice that includes applicable (instrument cost, calibration fee, repair charges, shipping) fees
- Wire transfer instructions will be included with the Proforma Invoice
- EIT 2.0 currently charges \$25 to process all wire transfers

##### **Net Terms**

- EIT 2.0 offers Net 30 Terms to customers that have qualified and have been approved by the EIT 2.0 Controller
- Customers approved for Net Terms will need to provide a Purchase Order that includes contact information for your Accounts Payable team
- Price quoted is based on Net 30 Terms. EIT 2.0 will evaluate requests different than Net 30 and if approved by our Controller adjust our prices accordingly
- EIT 2.0 reserves the right to limit available credit and/or suspend Net Terms based on payment history
